

2014 SQ65 MICHANNA II specs in EN BF

Description :

MICHANNA II is one of only two SQ65 ever produced with stabilizers, and she is the highest spec SQ65 ever to leave the yard.

She is from 2014 and fitted with the large twin CAT C18 - 1150hp engines, coupled to shaft drives. The Yacht Controller remote control unit guarantees easy maneuvers.

Her 4 cabin + crew layout with a very large flybridge and cockpit, make her very entertaining, with ample space for the owners and guests.

Main options include: Sleipner 0-speed and "on the move" fin stabilizers, Tropical Air Conditioning, Eberspacher Hydronic Heating, variable speed bow and stern thrusters, day and night vision camera, Raymarine 60STV Satellite TV, aft crew cabin fit out, bimini with full wrap-around flybridge enclosure with "crystal" windows, hydraulic hi/lo platform, Yacht controller for single handed maneuvering, Raymarine G Series plotters with i70 colour displays, Raymarine 4KW HD Radar, Raymarine P70R Auto pilot, Generator, Water Maker, Fly bridge teak, Side deck teak, full cockpit surround with "crystal" windows.....
