staying onboard.

There are also two interior lounge areas (one complete with a dining table), a bar, an exterior cockpit lounge and outside sunbathing spaces on the bow and flybridge for guests to relax and socialise. The galley is cleverly separated from the rest of the boat (accessed via the saloon) and paired with a fantastic storage/utility room.

She is in aesthetically great condition for her age. You could enjoy her as she is or if you are looking to add your own touch and refurbish a classic she would be a perfect opportunity!

She has an extensive list of extras and upgrades which can be sent via separate document.
